RE: Dexter-Almo Heights Water District  
Flint & West Fork Road  
Project No. WX21035014  
Case No. 2005-00456

Dear Ms. O'Donnell:

Pursuant to our telephone conference today with Robert Cowan, Bob Robards, and Mark Frost, we hereby amend our application as follows:

The Dexter-Almo Heights Water District will be proceeding first with the Flint & West Fork Road project. The costs of this project are as follows:

1. The total cost of the project will be \$165,647.00 per attached itemization, and approved by the Commissioners of the Water District on or about December 12, 2005.
2. The funding for the project will be from a \$92,000.00 KIA grant and The Murray Bank for \$73,000.00. Previously, we provided a loan commitment from The Murray Bank.
3. An itemized statement of costs and funding is attached.

Once the Flint & West Fork Road project is completed, we will again apply for approval for the Cole Campground Road extension project. In the interim, we ask for approval on the Flint & West Fork Road project only so that we can move forward as soon as possible. We look forward to receiving approval from you. Thank you. Happy holidays.

Sincerely,

C. Mark Blankenship
