)

ORDER

On February 17, 2006, Johnson County Gas Company ("Johnson Gas") applied for authority to revise certain non-recurring charges. On three separate occasions, the Commission, through its Director of Filings, advised Johnson Gas that its application was deficient and requested that these deficiencies be cured. The latest letter requested that these deficiencies be cured no later than May 15, 2006. As of this date, Johnson Gas has taken no action to cure these deficiencies. The Commission finds that the application should be dismissed for lack of prosecution.

IT IS THEREFORE ORDERED that Johnson Gas's application is dismissed without prejudice and is removed from the Commission's docket.
