O R D E R

On January 31, 2007, the Commission entered an Order in this matter authorizing Kentucky Utilities Company ("KU") to collect the net under-recovery of its environmental surcharge during the periods under review. On February 8, 2007, KU filed a Motion to Correct Order, seeking an Order nunc pro tunc to correct what appeared to be a typographical error in the first ordering paragraph of the January 31, 2007 Order.

In its motion, KU stated that in the body of the January 31, 2007 Order the Commission determined that the total jurisdictional environmental surcharge revenue requirement should be increased by \$399,375 in the first 3 months following the date of the Order. KU noted that the first ordering paragraph states that this increase should be \$339,375 in the first 3 billing months following the date of the Order. KU requested that the Commission enter an Order nunc pro tunc to replace the \$339,375 amount with the \$399,375 amount in the first ordering paragraph.

The Commission has reviewed the January 31, 2007 Order and finds that the amount to be included in the first 3 billing months following the date of the January 31, 2007 Order was inadvertently misstated in the first ordering paragraph. The Commission agrees with the correction requested by KU in its Motion to Correct Order.

IT IS THEREFORE ORDERED, nunc pro tunc, that Finding Paragraph 1 of the January 31, 2007 Order is corrected to read:

KU shall include a \$399,375 monthly increase in its jurisdictional environmental revenue requirement determined in the first 3 billing months following the date of the Order and \$399,374 in the fourth month following the date of this Order, as discussed herein.

All other provisions of the January 31, 2007 Order shall remain in full force and effect.

Done at Frankfort, Kentucky, this 19th day of February, 2007.
