Re: Application of Cumberland Cellular Partnership ("Bluegrass Cellular") for Issuance of a Certificate of Public Convenience and Necessity to Construct a Cell Site (Sycamore Flats) in Rural Service Area #5 (Russell) of the Commonwealth of Kentucky - before the Public Service Commission of the Commonwealth of Kentucky, Case No. 2006-00434

Dear Dale:

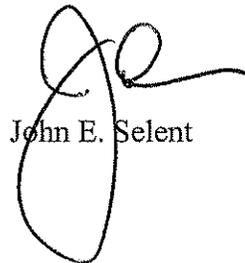

From our review of our file of above-referenced matter, it appears that there are no intervenors and that the matter has been pending since July 8, 2006 (Case No. 2006-00146), and, as refiled, since November 29, 2006 (Case No. 2006-00434).

The Applicant is very anxious, for reasons of pent-up and very strong customer demand, to begin construction. Anything the Public Service Commission could do to expedite the issuing of an order in this matter would be most helpful to that end.

Thank you so much!

Very truly yours,

DINSMORE & SHOHL LLP
