Case No. 2006-00448

JOINT MOTION TO AMEND PROCEDURAL SCHEDULE

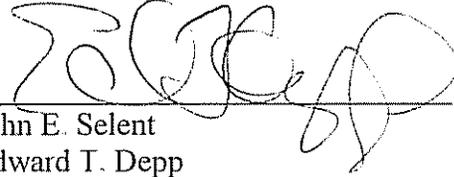

South Central Telcom LLC ("South Central"), by counsel, and BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky ("AT&T Kentucky") (jointly, the "Parties"), by counsel, hereby jointly move the Public Service Commission of the Commonwealth of Kentucky (the "Commission") to amend the procedural schedule in this matter by continuing all currently docketed deadlines for one month.

As grounds for this motion, the Parties state that this brief extension will provide the parties with sufficient time to discuss and review their respective positions and issues implicated in this matter. These discussions may also help the parties refine their information requests with respect to the issues implicated in this matter.

The Parties further state that this motion is not made for purposes of delay and that the requested continuance will not prejudice either South Central or AT&T Kentucky. The requested continuance will also result in administrative efficiency insofar as it will encourage further discussions between the Parties and the possibility of a mutually acceptable resolution of this matter.

Therefore, the Parties request that their joint motion be granted and the Commission amend the procedural schedule by continuing all currently docketed deadlines for one month.

Respectfully submitted,

John E. Selent
