**INTERSTATE GAS SUPPLY, INC.'S COMMENTS REGARDING KENTUCKY  
INDUSTRIAL UTILITY CUSTOMER'S MOTION TO MODIFY PROCEDURAL  
ORDER**

---

Comes Interstate Gas Supply, Inc. ("IGS") and tenders the following comments regarding the motion of Kentucky Industrial Utility Customer ("KIUC") to modify the procedural order in the above-styled action.

KIUC represents large industrial consumers. In their motion, KIUC seeks the opportunity to offer rebuttal testimony to potential testimony of intervenors. KIUC references possible disputes arising regarding cost allocation between customer classes. *See* KIUC Motion p. 1. IGS shares similar concerns and agrees that issues of cost allocation between different groups of customers are of paramount importance in this rate case.<sup>1</sup>

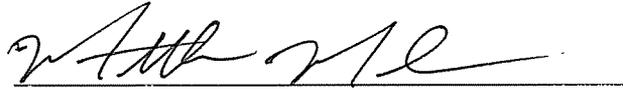

IGS and their customers have a substantial interest in these proceedings. Intervenor testimony was just filed as of June 12, 2007. Accordingly, IGS has not had the opportunity to properly review and gauge the necessity of rebuttal testimony as of yet. If issues arise, IGS believes that intervenor rebuttal testimony will assist the Commission with reaching a full and just resolution of these issues. As such, IGS fully supports KIUC's motion, and urges the Commission to approve KIUC's motion modifying the procedural schedule to provide: "*Parties shall file rebuttal testimony, if any, in verified form no later than ..... 07/25/07.*"

---

<sup>1</sup> Columbia's proposed adjustment will unequally allocate costs between Choice and non-choice customers.

Respectfully submitted,
