PUBLIC SERVICE
COMMISSION

Dear Beth:

This letter relates to Delta's Rate Case No. 2007-00089 filed with the Commission on April 20, 2007. I received a letter from Mike Burford today that was dated April 24, 2007, rejecting our filing. His letter noted a deficiency relating to 807 KAR 5:001 Section 10(3)(a), which is the amount of the change requested in both dollar amounts and percentage change for each customer classification to which the proposed rate change will apply.

As Mr. Burford's letter suggested, I discussed this matter today with Isaac Scott. After our discussion, we agreed that the required information was provided in Delta's filing in Volume 1 under tab 9.

Thus we understand that our filing has no deficiencies and would be considered filed on April 20, 2007. If there is any other information that we need to provide, or if the Commission is not in agreement with this, please let us know as soon as possible.

Sincerely,

Glenn R. Jennings
