CASE NO. 2007-00134

MOTION

Comes Kentucky-American Water Company (“Kentucky American Water”), by counsel, and moves the Commission for the entry of the attached Procedural Schedule, or an alternative one that will provide sufficient time for the Commission to issue a final order during the last quarter of this year.

As set forth in the application, Kentucky American Water urges the Commission to consider its application on an expedited process that will allow for the bidding and construction of the Facilities to begin prior to 2008 and believes that the adoption of the attached Procedural Schedule will achieve that goal.
