INTERROGATORIES

1. Identify each person who participated in the consideration and preparation of your answers to these Discovery Requests and identify to which particular Discovery Request each person was involved in answering.

ANSWER:

Carl Kurz
David F. Boehm, Esq.

2. Please explain whether (and why) you would/would not support a proposal such as that attached as Exhibit 2 to the prefiled direct testimony of Greg Heitzman.

ANSWER:

No. Would not support it. The proposal is unsupported by data and comes too late. Even a consideration of the proposal would delay the process of fixing the problem. The 2010 completion date is completely implausible as this proposal is just now being raised.

REQUESTS FOR PRODUCTION OF DOCUMENTS

1. Please produce all documents referenced, relied upon, or identified in response to the interrogatories set forth above.

RESPONSE:

See testimony of Gregg Heitzman. See KAWC's filing and testimony. See testimony of Scott Ruben.

Respectfully submitted,

David F. Boehm, Esq.
