Mr. Dudley P. Hay  
Route 5, Box 496  
Albany, KY 42602

Dear Mr. Hay:

We have received your letter concerning the proposal by Bluegrass Cellular to construct a cellular telephone tower in your vicinity.

Although Bluegrass Cellular has given the Kentucky Public Service Commission notice that it intends to file an application, it has not in fact, filed the application for this facility. Therefore, this matter is not yet pending officially before the PSC, although a case number has been reserved (PSC No. 2007-00017).

Once an application has been filed, interested parties who wish to become formal participants in the case may request that the PSC grant them status as intervenors.

Until such time as an application is officially filed before the PSC, we will keep your letter on file. When the application is filed, your letter will be placed into the case file and become part of the record that the PSC will consider as it reaches a decision in this matter. If you should contact the Commission in the future in this matter, please refer to the case number referenced in this letter.

Thank you for your interest.

Sincerely yours,

  
Beth O'Donnell  
Executive Director
