RE: Case No. 2007-00022  
Fleming-Mason Energy

Dear Ms. O'Donnell:

This letter contains Fleming-Mason's response to a Commission letter dated June 14, 2007 which listed the filing deficiencies in Fleming-Mason's rate application.

Fleming-Mason's response to the filing deficiencies are provided below:

- a. 807 KAR 5:001: Section 10(7)(b) – The most recent capital construction budget for any pro forma adjustments for plant additions. This information is not required as Fleming-Mason is not presenting any pro forma adjustments for plant additions in this application. The reference in the initial application was included in error in Item 33.
- b. 807 KAR 5:001: Section 10(7)(d) – The operating budget for each month encompassing the period for the pro forma budget. This information is not required as Fleming-Mason is not presenting any pro forma adjustments for plant additions in this application. The reference in the initial application was included in error in Item 33.
- c. KRS 278.180 – No effective date given. Attached you will find an original and ten (10 copies of the tariff sheets for which Fleming-Mason is requesting a change in rates with an "Issue date" of June 20, 2007 and an "Effective date" of July 20, 2007.

If any additional information is needed on this matter, please contact me at your convenience.

Sincerely,

*Marvin W. Luit*
