RE: Case# 2007-00060

Dear Mr. Bowman,

In response to our telephone conversation on March 9, 2007 concerning the physical address of our "Little Clifty" site (Case# 2007-00060)1), please consider the address to be 266 Providence Church Rd; Russell Springs, KY 42642.

As we discussed, the 150 Providence Church Rd is the address of the landowner whom we are leasing from. The 266 Providence Church Rd address is the 911 address that was obtained and designated for the actual proposed cell site location.

In reference to the error in Exhibit Q showing the incorrect case #, I have also enclosed photographs depicting the public notice signs that were posted on and near the site which show the proper case# 2007-00060.

I apologize for the confusion caused by these errors and we appreciate the fact that you did not send a deficiency letter for these.

Please feel free to contact me with any questions regarding this information

Sincerely,

David Jantzi
