PUBLIC SERVICE
COMMISSION

Re: Case No. 2007- 00177

Dear Ms. O'Donnell:

BellSouth is providing advance notice to the Kentucky Public Service Commission (PSC) of BellSouth's intent to disconnect Cat Communication for non-payment.¹ BellSouth's records indicate that Cat Communications is delinquent in payment of its bills to BellSouth.

Attempts to collect past due amounts from Cat Communications have been unsuccessful. BellSouth made numerous written notifications to Cat Communications informing them of BellSouth's intent to suspend or terminate services consistent with the terms and conditions of the Interconnection Agreement between Cat Communications and BellSouth. As of today, BellSouth has received no payment from Cat Communications and we seek to begin discontinuance of services immediately. Disconnection of Cat Communications services will affect fewer than 25 Kentucky customers.

Under terms of their Resale Agreement, Cat Communications is solely responsible for notifying its end users of the proposed service disconnection. BellSouth is copying Cat Communications to remind them of their obligations to notify their end users of this situation regarding pending disconnection of services.

Should the Commission determine the need to invoke BellSouth's Emergency Service Continuity Tariff, BellSouth will take steps to notify the affected end users and inform them that they may continue to receive telecommunications services through The Emergency Services Continuity Plan for a minimum of fourteen (14) days and that the end user must transition to a new service provider.

¹ This notice is filed pursuant to the Kentucky PSC's May 20, 2003 order in KY PSC Case No. 2002-0310.
