Lexington, KY 40507

Dear Mayor Newberry,

The League of Women Voters of Lexington (LWVLEX) would like to commend you on your effort in considering alternative sources of water for Lexington, most recently by inviting Mr. Greg Heitzman, (President Elect of the Louisville Water Company) to give a presentation to the Lexington Fayette Urban County Government on July 10, 2007.

We, the LWVLEX, recommend that all reasonable sources of water supply be investigated.

Sincerely,
