Dear Beth:

Northern Kentucky Water District has been informed by the Attorney General that the disk filed with Responses to the PSC Order of April 10, 2007, Item 4 is blank or defective. To make sure that all parties have a working disk, 10 replacement copies are being provided to the Commission.

A replacement disk has been delivered to the Attorney General. If there are any questions about this, please contact me.

Very truly yours,

John N. Hughes
