Re: Case No. 2007-00162

Dear Mr. Bratcher:

Upon research, Commission Staff has determined that you are a customer of North Central Communications, which provides service within the city limits of Scottsville, Kentucky. North Central Communications is not seeking a rate increase.

North Central Communications, Inc. has two different branches. One branch functions as a rural cooperative. This is the branch seeking the rate increase. That company is titled "North Central Telephone Cooperative Corporation". The other branch is a Competitive Local Exchange Carrier titled "North Central Communications, Inc", and is not seeking a rate increase. Since you are a customer of the latter, you will not be affected by the rate increase in case 2007-00162.

Once again, thank you for your interest and concern. Should you have any additional concerns or questions, please contact Commission Staff Attorney, Tiffany Bowman at 502/564-3940.

Sincerely yours,
