RE: Case No. 2007-00211
Tariff Filing of West Shelby Water District
To Allow Free Water For Water District Commissioners

Dear Ms. O'Donnell:

In response to your order of May 31, 2007:

1. The proposed Tariff revision shall go into effect on September 1, 2007. A corrected copy of the Tariff sheet reflecting this date is attached.
2. The proposed rate schedule is reasonable because the Commissioners of the West Shelby Water District have attended the Public Service Commission Training for Commissioner each year since it has been provided. This District's Commissioners earn \$6,000 annually for their services, which is the maximum allowed by KRS 74.020; therefore, the Commissioners believe receiving free water would be an additional way of being compensated for their time and should not be denied.

If you have any further questions, please feel free to call me at (502) 722-8944.

Sincerely,

Wanda H. Land
Co-Manager
