RE: Kentucky Power Company  
Petition for Confidential Protection  
Case No. 2007-00276

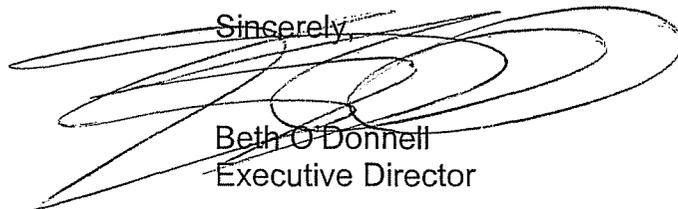

Dear Mr. Overstreet:

The Commission has received the motion filed August 24, 2007, on behalf of Kentucky Power Company, to protect as confidential its response to Commission data requests No. 6(d), (e), (f), (h), (i), (j), (k) and 17(b). A review of the information has determined that the response to Request No. 17(b) is entitled to the protection requested on the grounds relied upon in the motion, and it will be withheld from public inspection. However, the other responses do not meet the criteria for confidentiality and confidential protection is denied.

The information denied confidentiality shall be withheld from public inspection for 20 days from the date of this letter to allow you to seek any further remedy available to you.

If the information granted confidentiality becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell  
Executive Director
