Question No. 3

Witness: Scott Cooke

Q-3. List all firm power commitments for KU from November 1, 2006 through April 30, 2007 for (a) purchases and (b) sales. This list shall identify the electric utility, the amount of commitment in MW, and the purpose of the commitment (e.g., peaking, emergency).

A-3. a. Firm Purchases

The firm purchases from Owensboro Municipal Utilities ("OMU") for the review period are shown in the table below. KU has described the status of the litigation associated with the OMU contract and OMU's notice of termination of the contract in numerous responses to requests for information issued in the Commission's six-month and two-year investigations of the operation of KU's fuel adjustment clause. On June 11, 2007, KU filed a Motion to Reconsider the Court's July 22, 2005 Partial Summary Judgment Order relating to the termination issue.

<u>Utility</u>	<u>MW</u>	<u>Purpose</u>
