**JOINT MOTION OF BIG RIVERS ELECTRIC CORPORATION
AND E.ON U.S. LLC FOR CONTINUANCE**

Big Rivers Electric Corporation and E.ON U.S. LLC, Western Kentucky Energy Corp. and LG&E Energy Marketing, Inc. (collectively, the "Movants"), by counsel, move the Kentucky Public Service Commission ("Commission") to cancel the hearing scheduled for July 1, 2008 at 9:00 a.m. on the grounds that the June 20, 2008 downgrading rating by Moody's Investment Service of Ambac Assurance Corporation ("Ambac"), requires Big Rivers to replace Ambac as a credit enhancer in its leveraged leases with Phillip Morris Credit Corporation. This requirement creates an issue that must be solved before a closing of the Unwind Transaction. And because that resolution will likely impact several aspects of the filings made in this case, E.ON and Big Rivers believe the hearing scheduled to begin next Tuesday should be postponed to a later date.

During the Informal Conference held today in this case by conference call, no party expressed any objection to the postponement of the hearing; and the Office of the Attorney

General authorized the undersigned to affirmatively represent in this motion that it had no objection to the postponement of the hearing.

WHEREFORE, the Movants respectfully request the Commission issue an order postponing the hearing currently scheduled for July 1, 2008 at 9:00 a.m. at the Commission's offices until a later date.

Dated: June 26, 2008

Respectfully submitted,

Respectfully submitted,
