Re: Case No. 2007-00455  
Filing Deficiencies

Dear Mr. Blackburn:

The Commission Staff has reviewed your application in the above case and finds that, with respect to the request for approval of: (1) wholesale tariff additions; (2) transactions; and (3) amendments to contracts, the application meets the minimum filing requirements. Enclosed please find a stamped-filed copy of the first page of your filing. This case has been docketed and these portions of your application will be processed as expeditiously as possible.

With respect to the application's request for approval of financing, there are filing deficiencies pursuant to 807 KAR 5:001, Sections 6 and 11. The statutory time period in which the Commission must process the request for approval of financing will not commence until the above-mentioned information is filed with the Commission.

If you need further assistance, please contact Richard Raff at (502) 564-3940, extension 263.

Sincerely,

Mike Burford  
Director, Division of Filings
