COMMISSION

Dear Ms. Stumbo:

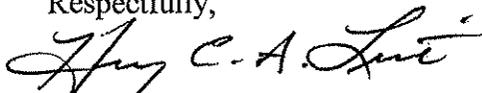

It has recently been announced that Governor Beshear has appointed a new leader in energy policy for his administration and the Commonwealth. Dr. Len Peters will be the new Secretary of Energy and Environmental Cabinet.

Pursuant to Section 50 of 207 HB 1, the Governor's Office of Energy Policy is to submit comments to your agency by the end of this working day. Dr. Peters has requested the ability to review the comments before they are submitted.

To honor the incoming secretary's request, I am asking for an extended due date of May 2, 2008 for the submittal of our comments.

Please take whatever administration steps are necessary to allow the secretary this courtesy.

Respectfully,

Henry C. A. (Hank) List
