Re: Confidentiality Request, PSC Case No. 2008-00117

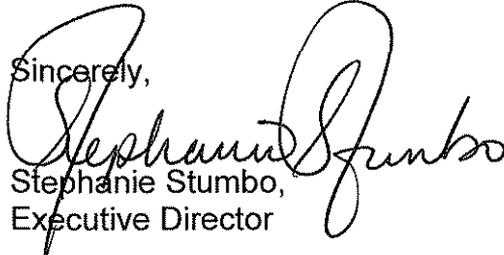

Dear Mr. Cornett;

The Public Service Commission has received Louisville Gas & Electric Company's Petition filed March 31, 2008 requesting to protect as confidential, certain information contained in its Quarterly Gas Supply Clause filing. This information is described as pertaining to the summary of the total purchased gas costs for November, 2007 through January, 2008, and the identity of its gas suppliers.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the Petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
