Re: Atmos Energy Corporation's - Petition for Confidentiality
received 5/30/08 - PSC Case No.: 2008-00196

Dear Mr. Hutchinson:

The Public Service Commission has received Atmos Energy Corporation's Petition for confidential treatment requesting to protect as confidential certain information contained in Exhibit D to its Gas Cost Adjustment, and also in its WACOG schedule in support of Exhibit C, page 20. Exhibit D to the Gas Cost Adjustment is described as containing information from which the actual price being paid for natural gas to its supplier can be determined. The WACOG schedule in support of Exhibit C, page 20 is described as containing prices projected to be paid for purchase contracts.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Atmos Energy Corporation is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
