Regarding: CASE NUMBER 2008-00262

Dear Sir,

My name is Billy L. Huffman and I am representing my mother, Laura Ann Huffman who resides at 59 Kees Branch Road, Grayson, Kentucky 41143. My father, Junius Huffman is deceased.

We are requesting information regarding the proposed construction of a 300 foot tower to be located at +/- 200 Kees Branch Road and what effect it may have on our property. We are for progress and certainly for better cell reception, however, before construction begins we need to know a few details about the right of way. Particularly how any road to the tower may be built and used and possible sound and environmental issues. I have noticed on the plat that some of our property may or may not be involved in the construction or maintenance of this project,

Please put me in contact with someone in your office who might be able to answer these questions for us. My phone number is cell-1-270-205-0035, Office-1-270-362-2800. Your help is much appreciated.

Sincerely,

A handwritten signature in black ink that reads "Bill Huffman". The signature is written in a cursive style with a large, sweeping "H".
