O R D E R

Kentucky Rural Water Association ("KRWA") has applied for accreditation of training to be held in October 2008, in Lewisport, Kentucky, Morehead, Kentucky, and Draffenville, Kentucky.

Pursuant to KRS 74.020(7), this Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her duties." The training for which approval is sought includes instruction regarding, inter alia, issues regarding the Fair and Accurate Transactions Act, trenching and shoring safety, and other water-related issues. Having reviewed the KRWA's application, the Commission finds that the proposed training will enhance a water district commissioner's understanding of his or her duties and should be approved for 2.0 credit hours for water district management training.

IT IS THEREFORE ORDERED that:

1. Each of KRWA's proposed courses of instruction is hereby approved for a maximum of 2.0 credit hours.

2. KRWA shall retain a record of all persons attending the approved courses of instruction.

3. Within 14 days of the completion of the training, KRWA shall file with the Commission a sworn statement attesting that the approved courses of instruction were performed and, if any changes in the speakers or course curriculum occurred after KRWA's application, a description of those changes.
