REQUEST FOR EXTENSION OF TIME TO RESPOND TO STAFF REPORT

Come R.A. Williams Construction Co., Inc., d/b/a Cedarbrook Treatment Plant (R.A. Williams”) and hereby requests an additional seven (7) days within which to respond to the Staff Report concerning the Application for Rate Adjustment. Additional time is needed in order to carefully review the Staff Report which recommends reducing the rate initially proposed by Staff of \$62.00 per month to a new rate proposed by Staff of \$46.40 per month. In the event the Request for an Extension of Time is denied, R.A. Williams requests that an Informal Conference be scheduled and may request a formal hearing.

R.A. Williams would further note that the Application for Rate Adjustment was filed on behalf of R.A. Williams Construction Company and the Application requests an adjustment in sewer rates rather than adjustment in water rates as indicated in the Commission’s Order of April 1, 2008.
