Re: South Anderson Water District  
Formal Application to Revise Certain Non-Recurring Charges

Dear Ms. Stumbo:

This is an application to add tariff language for accepting credit/debit card and Ach/bank draft payments from customers. Attached is the proposed tariff sheet which includes the policy and cost formula for the services.

The South Anderson Water District is not requesting a water rate increase at this time. The customers affected by these charges will be the customers that utilize the credit /debit card or Ach/bank draft payment option.

The South Anderson Water District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

The South Anderson Water District will publish the enclosed public notice of the requested rate in the local newspaper for three consecutive weeks and will follow up with an affidavit from the newspaper verifying that the notice was published for three consecutive weeks.

A copy of this application and related filings has been sent to the Office of the Attorney General, State Capital Building, Suite 118, Frankfort, Ky 40601.

Should you have any questions or need additional information, please advise.

Sincerely,

*Eddie Stevens*

Non-recurring Charges

Credit/Debit Card Policy

All customers may pay their bill by credit/debit card. The credit/debit card method of payment may be made in person at the South Anderson Water District office or by telephone.

If on the bill date an attempt to pay the credit card or debit card is made and the card is declined for any reason, payment is still due in full on that date and will be considered late after that date. All late charges and penalties will be applied. If a customer is paying on our disconnect day and the card is denied, the same rules as above apply, in addition to his/her service being disconnected..

When a customer makes a payment by credit card, the utility will assess a fee equal to that charged to the utility by the credit or debit card processing company to process the transaction. This fee is generally calculated using a formula applied to the balance of the amount charged to the credit or debit account but may be a flat fee per transaction. Prior to processing the transaction, the customer will be informed of the fee amount and, upon request by the customer, the formula employed to arrive at this fee amount.

1.76% of the bill plus .35 cents per transaction for Visa and Master Card

ACH – BANK DRAFT/AUTOMATIC WITHDRAW POLICY

All customers may pay their bill by ACH- Bank Draft/Automatic Withdraw. The ACH-bank draft/automatic withdraw will be scheduled for the 25<sup>th</sup> of each month.

On the 25<sup>th</sup> of each month the payment will be processed. If for any reason payment is declined the payment will still be do by 30<sup>th</sup> of the month. All late charges and penalties will applied if payment is not made by the 30<sup>th</sup> of the month.

When a customer makes a payment by ACH-Bank Draft/Automatic Withdraw, the utility will assess a fee per transaction equal to that charged to the utility by the bank. This fee is established by the banking agency. Customer will be informed of any changes in transaction cost.
