Hello Tom.

I am working on the credit review of Invenergy and could not find any public financials. Would you like for me to contact one of their BD folks to see if I can get this information?
Just let me know.

Thanks,

I just starting looking at this company and there are no ratings or public financials available. Do you want me to contact one of their BD folks listed on the attachment for financials?

John,

Attached you will find the contact information for our possible Wind Energy Supplier, Invenergy. This is the Company I left you the voice mail about the other day. Feel free to contact them if you need additional information for Credit Review. We haven't seen a draft contract yet so we don't know what form the Letter of Credit might take.

Please reply if you need anything further.

Thanks.

Tom
