O R D E R

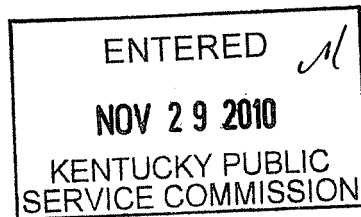

Woodland Acres Utilities, LLC ("Woodland Acres Utilities") has filed a motion for a second extension of time to file an irrevocable letter of credit. Woodland Acres Utilities seeks an additional 30 days from the time allotted in the Commission's Order of October 27, 2010 to comply with the condition of approval of the transfer. We have considered the requested time extension and will modify the Order of October 27, 2010 to grant it. However, any further request for such an extension will require a full explanation by the utility as to its attempts to obtain the letter of credit and include any correspondence and names and dates of any contacts with any financial institution for said letter of credit.

The Commission, being sufficiently advised, HEREBY ORDERS that:

1. Woodland Acres Utilities' motion to extend the time in which to file a letter of credit and journal entry, pursuant to the terms of the Order of October 27, 2010, is granted.

2. The Commission's Order of October 27, 2010 is modified to extend the time required to file a letter of credit and journal entry from November 1, 2010 to December 20, 2010.
