APPLICATION OF OVERLAND DEVELOPMENT, INC. ) CASE NO.  
FOR AN ADJUSTMENT OF RATES ) 2010-00366

ORDER

On September 13, 2010, Overland Development, Inc. ("Overland") applied to the Commission for an increase in its water rates. The proposed rates would increase revenue by \$7,949 or 18.6 percent over normalized revenue of \$42,840.

Commission Staff performed a limited financial review of Overland's operations and, on October 15, 2010, issued a Staff Report containing its findings and recommendations concerning the proposed rates.

All parties were directed to file written comments upon Staff's findings and recommendations or to request a conference or hearing no later than October 29, 2010. Upon receiving none, the Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. The recommendations and findings contained in the Staff Report are supported by the evidence of record and are reasonable.
2. Overland's proposed rates will produce annual revenue of \$50,789.

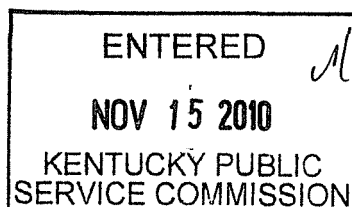

IT IS THEREFORE ORDERED that:

1. The findings and recommendations contained in the Staff Report are adopted and incorporated by reference into this Order as if fully set out herein.

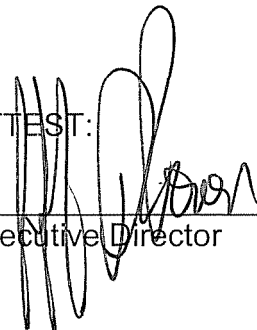

2. Overland's proposed water rates, which are set forth in the Appendix to this Order, are approved for service rendered by Overland on and after the date of this Order.

3. Within 30 days of the date of this Order, Overland shall file its revised tariff with the Commission setting out the rates approved herein.
