

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ALTERNATIVE RATE FILING APPLICATION OF	)	CASE NO.
HILLRIDGE FACILITIES, INC.	)	2010-00426

ORDER

On November 1, 2010, Hillridge Facilities, Inc. ("Hillridge Facilities") filed an application for a rate adjustment pursuant to 807 KAR 5:076. Several customers<sup>1</sup> of Hillridge Facilities have filed motions to intervene in this proceeding. By this Order, we deny their motions.

The only person entitled to intervene as a matter of statutory right in this rate-making proceeding is the Attorney General ("AG").<sup>2</sup> Intervention by all others is permissive and is within the Commission's discretion.<sup>3</sup> In exercising its discretion to determine permissive intervention, the Commission follows 807 KAR 5:001, Section 3(8), which provides:

If the Commission determines that a person has a special interest in the proceeding which is not otherwise adequately represented or that full intervention by party is likely to present issues or to develop facts that assist the commission in fully considering the matter without unduly complicating or disrupting the proceedings, such person shall be granted full intervention.<sup>4</sup>

<sup>1</sup> The names and addresses of these customers are listed in the Appendix to this Order.

<sup>4</sup> 807 KAR 5:001, Section 3(8)(b).

In their requests, the customers do not articulate that they have a special interest in this proceeding or that they are likely to present issues or to develop facts that will assist the Commission in resolving this matter. They note only that they are customers of Hillridge Facilities and oppose the proposed rate adjustment. To the extent that they are consumers, the AG has been granted full intervention and has the obligation to appear before the Commission to represent consumers' interests.<sup>5</sup>

As the customers have failed to satisfy the requisites of 807 KAR 5:001, Section 3(8), their requests for intervention should be denied. Although not granted intervenor status, these customers will have ample opportunity to participate in this proceeding by submission of written comments by regular mail, electronic mail<sup>6</sup> or facsimile<sup>7</sup> or at the public hearings to be scheduled in these matters. They may also monitor all activities in this case and all documents filed in this proceeding through the Commission's website.<sup>8</sup>

IT IS THEREFORE ORDERED that the requests for intervention of the persons listed in the Appendix to this Order are denied.
