RE: Rate Increase from Henry Co. Water District

Dear Madam Chairman Edwards,

It was very nice meeting you the other day. I have enclosed our new P.S.C. approved rates. The District has not had a rate increase since 1996. The Board realizes that during these trying economic times that any rate increase will be a burden on our customers. With increased operating costs and future infrastructure needs the Board had no choice but to increase rates. If you have any questions, please give me a call at (502) 532-6279.

Sincerely,

A handwritten signature in black ink, appearing to read "James T. Simpson", is written over a horizontal line.
