O R D E R

On November 23, 2010, West McCracken County Water District ("West McCracken") tendered its application for rate adjustment. Because of filing deficiencies, the Commission did not accept the application for filing until December 16, 2010. West McCracken proposes to place its proposed rates into effect on January 25, 2011. Finding that further proceedings are necessary to investigate the reasonableness of the proposed rates, the Commission suspends the operation of the proposed rates for a period of five months.

IT IS THEREFORE ORDERED that West McCracken's proposed rates are suspended from January 25, 2011 up to and including June 24, 2011.
