PUBLIC SERVICE  
COMMISSION

Re: Commission Order Dated November 17, 2011, To Meade County Rural Electric Cooperative Corporation in the Application for Pass-Through of Big Rivers Electric Corporation Wholesale Rate Adjustment- PSC Case No. 2011-00038

Dear Mr. Derouen:

Please find enclosed for filing with the Commission an original and 10 copies of Meade County Rural Electric Cooperative Corporation response to the Commission's Order dated November 17, 2011, in the Application for Pass-Through of Big Rivers Electric Corporation Wholesale Rate Adjustment.

Respectfully submitted,

Burns E. Mercer  
President / CEO

C: Thomas C. Brite, Attorney for Meade County RECC

**Meade County Rural Electric Cooperative Corporation**

**Refund Plan in Case No. 2011-00038**

Item 8. Within 75 days of the date of this Order, Meade County shall submit a written report to the Commission in which it describes its efforts to refund all monies collected in excess of the rates that are set forth in the Appendix to this Order.

Response:

See attached Assumptions and Methodology Used, Exhibits 1, 2 and 3.

Witness: Karen Brown

**RECEIVED**  
JAN 30 2012  
PUBLIC SERVICE  
COMMISSION

**Assumptions and Methodology Used For  
Meade County Rural Electric Cooperative Corporation  
Refund Plan in Case No. 2011-00038**

The calculation of the refund amounts due to the customers of Meade County Rural Electric Cooperative Corporation (MCRECC) was based on the following assumptions and methodology:

**Assumptions:**

See Exhibit 1 for the rate differential between the proposed and final rates.

Number of days to calculate interest (Interest Days):

Based on the billing date of each billing cycle and the billing date on the cycle the customer received the refund.

Original Data:

Billing data files for September 30<sup>th</sup> through November 10<sup>th</sup> cycle billings.

**Methodology**

MCRECC programmatically calculated the refund amount starting with the original data from the billing files. The original data files used Proposed Rates to calculate each bill.

Each bill was then recalculated using the rate differentials shown in Exhibit 1. When a customer paid the bill after the due date, the 10% late fee was adjusted based on the revised bill amount. Interest was calculated on the difference from the original billing date and the billing date on the billing receiving the credit. The calculated difference plus the interest is the refund for each customer. The cycle refunds were summed up to arrive at the total refund for each customer, Exhibit 2.

A sample of each rate schedule history, adjustment detail, and bill reflecting the refund for one customer in each rate class is included in Exhibit 3, pages 1 – 26.

Witness: Karen Brown

*"The Most Wonderful time of the Year"*  
 As we approach yet another Christmas holiday, this seems like a great time for all of us here at your co-op to let all our members know how much we appreciate and enjoy serving them. A rural electric Cooperative is a unique business and we value our place in this community and our Cooperative Family. Our wish for you at this special season is for happiness, well-being, and time with family and friends. And though our offices will be closed on December 23rd, 26th and January 2nd to spend time with our own families, we will have someone standing by, waiting for your call whenever you need us.

*"The Most Wonderful time of the Year"*  
 As we approach yet another Christmas holiday, this seems like a great time for all of us here at your co-op to let all our members know how much we appreciate and enjoy serving them. A rural electric Cooperative is a unique business and we value our place in this community and our Cooperative Family. Our wish for you at this special season is for happiness, well-being, and time with family and friends. And though our offices will be closed on December 23rd, 26th and January 2nd to spend time with our own families, we will have someone standing by, waiting for your call whenever you need us.

MEADE COUNTY RECC-helping make Christmas bright since 1937

TOUCHSTONE ENERGY-The Power of Human Connections
