Re: Kentucky Power Company (Environmental Compliance Plan)
Clarification of Confidential materials (Jeremy Fisher Testimony)
PSC Reference – Case No. 2011-00401

Dear Mr. Giampietro:

The Public Service Commission received on April 13, 2012, your Response to Commission letter dated April 5, 2012 requesting an outline of the source and identification of the confidential materials filed with the Direct Testimony of Jeremy Fisher. In your Clarification Response you stated that the materials were subject to a Petition for Confidential Treatment filed by Kentucky Power on January 30, 2012. The Petition you are referencing was actually filed with the Commission on January 27, 2012 and posted to the PSC web on January 30, 2012. The Commission granted confidential protection on February 24, 2012 to the aforementioned Kentucky Power Petition and Amended Petition filed February 7, 2012. Therefore, the materials marked "Confidential" filed as attachments to Jeremy Fisher Direct Testimony will remain in a non-public part of the Commission's records in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Thank you for your clarification of the confidential materials. Please send a clarification letter for any future filings using materials deemed confidential by another party in the action to avoid any confusion.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".
