Re: Kentucky Power Company
Confidential Materials received 3/6/12
PSC Reference – Case No. 2011-00401

Dear Mr. Kurtz:

The Public Service Commission received from you on March 6, 2012, Direct Testimony and Exhibits of Lane Kollen marked "Confidential". However, your filing included neither a petition as required by Commission regulation, 807 KAR 5:001, Section 7, requesting confidentiality of the material marked "Confidential", nor a cover letter stating that the confidential material had previously been submitted with a request for confidentiality.

If you are filing confidential material that was the subject of a petition for confidentiality previously filed by you or by another party, your filing should include a cover letter which states the following: that the confidential or redacted material is subject to a prior petition; the name of the person filing the prior petition; the date the prior petition was stamped filed (not the web posting date); and the case number, if the prior petition was filed in a different case. This information will help to avoid confusion in the case file, the inadvertent disclosure of confidential material, and the possible rejection of redacted filings for noncompliance with the above referenced confidentiality regulation.

Accordingly, please file the requisite petition for confidentiality of the Direct Testimony and Exhibits of Lane Kollen or a cover letter as described above. Any future filing which contains redacted or confidential material should include either a petition or cover letter, as appropriate.

Sincerely,

Jeff Derouen
Executive Director
