Re: *In the Matter of: An Investigation of the Reliability Measures of Kentucky's Jurisdictional Electric Distribution Utilities*, Case No. 2011-00450.

Dear Mr. Derouen:

In response to the Procedural Schedule entered by the Commission on July 31, 2013, Kentucky Power Company offers no additional comments and submits that a hearing should not be required to address the issues on rehearing. Kentucky Power Company asks that this matter be resolved on the basis of the testimony and submissions offered by the parties.

If you have any questions about Kentucky Power Company's position, please feel free to contact me at (502) 209-1216 or bcrittenden@stites.com.

Very truly yours,

STITES & HARBISON, PLLC
