O R D E R

On February 5, 2010, the Commission granted the request of Tennessee Telephone Service, LLC d/b/a Freedom Communications USA, LLC ("Tennessee Telephone") for designation as an Eligible Telecommunications Carrier ("ETC").¹ Tennessee Telephone was authorized to receive low-income support and not high-cost support. On April 11, 2011, Tennessee Telephone petitioned the Commission for withdrawal of its ETC status.

47 USC § 214 (e)(4) states in part:

The state commission shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State commission of such relinquishment. more than one eligible telecommunications carrier, the State commission shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier. The state commission shall establish a time, not to exceed one year after the State commission approves such relinquishment under this paragraph, within which such purchase or construction shall be completed.

The Commission finds that, pursuant to USC 47 214(e)(4) above, there is more than one ETC in the area of relinquishment and those carriers have sufficient facilities for the provision of service.

The Commission being sufficiently advised, IT IS HEREBY ORDERED that Tennessee Telephone's request to withdraw as an ETC is granted. This case is now closed and removed from the Commission's docket.
