Dear Mr. Ballard

Re: section "C" of the application

"The Application of East Clark County Water District, filed July 13, 2011, at Exhibit C references Final Project Budget.

Under Project Costs, the item "Construction by Owner" lists \$60,000.00.

Is there a description of what is meant by "Construction by Owner" and a more descriptive breakdown of the utilization of the \$60,000.00 in the Application?

Is so, could you direct me to where it can be located?"

Thank you for your time and effort.
