

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

FOREST CREEK, LLC )

COMPLAINANT )

V. )

JESSAMINE-SOUTH ELKHORN WATER DISTRICT )

DEFENDANT )

CASE NO. 2011-00297

ORDER

Defendant Jessamine-South Elkhorn Water District has moved for an extension of time in which to answer the Commission's Order to Satisfy or Answer. In support of its motion, Defendant states that its Board of Commissioners' will not meet until September 12, 2011 and that it requires two weeks following this meeting in which to prepare its response to the Commission's Order. Complainant has filed a response to the motion in which it states no objection to an extension of time but requests that the extension be limited to September 16, 2011.

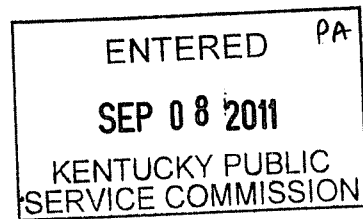

Having considered the motion and response and being otherwise sufficiently advised, the Commission finds that the motion should be granted and that Defendant be permitted until September 19, 2011 to respond to our Order. The record indicates that Defendant has been in receipt of our Order since on or before August 24, 2011. We are of the opinion that the Defendant has had adequate time to review the complainant and

determine its appropriate course of action. Accordingly, we find that the requested extension of time is inappropriate.

IT IS THEREFORE ORDERED that:

1. Defendant's Motion for Extension of Time is granted in part and denied in part.
2. Defendant shall have until September 19, 2011 to file with the Commission its response to the Commission's Order to Satisfy or Answer.
