

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF HARDIN COUNTY WATER)
DISTRICT NO. 1 FOR APPROVAL OF A)
CONTRACT WITH THE UNITED STATES ARMY) CASE NO. 2011-00416
TO PROVIDE WATER SERVICE TO THE FORT)
KNOX MILITARY INSTALLATION)

ORDER

Hardin County Water District No. 1 ("Hardin District") has petitioned for rehearing on the Commission's Order of January 27, 2012. More specifically, Hardin District requests that the Commission reconsider its conclusion that "KRS 278.020(1) requires that Hardin District apply for a Certificate of Public Convenience and Necessity for each project that the Contract identifies as an 'initial system deficiency correction' and that involves significant capital outlays."¹ In the alternative, Hardin District requests that the Commission identify the planned projects that would require a Certificate of Public Convenience and Necessity.

Finding that Hardin District has raised a significant issue that requires further study and that the merits of the petition cannot be addressed satisfactorily without further study, the Commission finds that Hardin District's petition should be granted for the limited purpose of further considering the questions raised in the petition. The Commission expects to issue a final decision on these questions within 30 days.

¹ Order of January 27, 2012 at 12.

IT IS THEREFORE ORDERED that Hardin District's Petition for Rehearing is granted for the purpose of allowing the Commission additional time to address the merits of its Petition.
