REGARDING THE PROVISION OF )  
WHOLESALE WATER SERVICE BY THE ) CASE NO. 2011-00419  
CITY OF VERSAILLES TO NORTHEAST )  
WOODFORD WATER DISTRICT )

ORDER

The city of Versailles, Kentucky (“Versailles”) provides wholesale water service to Northeast Woodford County Water District (“Northeast Woodford District”) under a water purchase contract. On September 20, 2011, it filed with the Commission proposed rules that would establish a minimum volume of water that Northeast Woodford District must purchase monthly. It further proposes to place these rules into effect on November 1, 2011. Northeast Woodford District has requested an investigation into the reasonableness of the proposed rules and leave to intervene in such investigation.

Finding that further proceedings are necessary to determine the reasonableness of the proposed rules and that KRS 278.200 prohibits any change in the rate or service standard in a contract between a city and a utility without a hearing before the Commission, the Commission HEREBY ORDERS that:

1. This proceeding is established to investigate the reasonableness of the proposed rules.
2. Northeast Woodford District is granted leave to intervene in this investigation.

3. Northeast Woodford shall be entitled to the full rights of a party and shall be served with a copy of all Commission Orders and all documents filed by any party to this proceeding.

4. Versailles shall not take any action to implement the proposed rules until obtaining Commission approval.

5. To the extent permitted by law and consistent with KRS 278.200, Versailles' proposed rules are suspended.

6. The procedural schedule set forth in Appendix A to this Order shall be followed.

c. A party shall make timely amendment to any prior response if it obtains information that indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

8. Any party that files written testimony shall file with the Commission an original and eight copies. Written testimony shall be in verified form.

9. The parties shall consider any request for information from Commission Staff as if ordered by the Commission.

10. Service of any document or pleading in paper form shall be made in accordance with 807 KAR 5:001, Section 3(7). Service upon a party shall be considered completed upon delivery of the document or pleading to the party or upon mailing the document or pleading to the party's address of record.

11. Any party filing a document or pleading with the Commission shall serve such document or pleading upon all other parties to this proceeding.

12. Any document or pleading that a party serves upon the other parties to this proceeding shall also be filed with the Commission.

13. At any hearing in this matter, neither opening statements nor summarization of direct or rebuttal testimony shall be permitted.

14. Direct examination of witnesses shall be limited to the authentication and adoption of that written testimony. No summarization of written testimony by the witness shall be permitted.

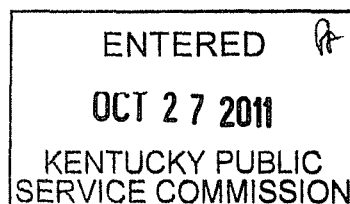

15. Witnesses who have filed written direct and rebuttal testimony shall present that testimony at the same sitting. Opposing parties may cross-examine such witnesses on both direct and rebuttal testimonies.
