Re: Northern Kentucky Water District

Dear Mr. Derouen:

Northern Kentucky Water District gives notice of its intent to file a general rate increase application using an historical test period. 807 KAR 5:001, Section 8(2) requires the filing of the original and ten paper copies of all applications and other documents that are part of the case. Northern requests a deviation from the regulation to allowed it to file and serve all documents in this case in electronic medium only for both filing and service purposes.

If you have any questions about this matter, please contact me.

Very truly yours,

John N. Hughes
Attorney for Northern Kentucky
Water District
