COMMISSION STAFF'S THIRD REQUEST FOR INFORMATION TO  
FLEMING-MASON ENERGY COOPERATIVE

Pursuant to 807 KAR 5:001, Fleming-Mason Energy Cooperative, Inc. ("Fleming-Mason") is to file with the Commission the original and eight copies of the following information, with a copy to all parties of record. The information requested herein is due no later than July 18, 2014. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Fleming-Mason shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material aspect. For any request to which Fleming-Mason fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of the information in responding to this request.

1. Provide detailed outage information, including cause, duration, and dispatches, for outages occurring on the line serving Complainants' home from March 11, 2014, to the date of this Request for Information.

2. Provide all information pertaining to improvements or repairs made to Complainants' distribution line since March 11, 2014.

3. Provide all information pertaining to improvements or repairs made since March 11, 2014, to the circuit that serves the Complainants and the subdivision in which Complainants reside, including, but not limited to, any new feeder lines that may serve the Complainants or Complainants' subdivision.
