ORDER

The matter is before the Commission upon a motion filed by Kentucky Industrial Utility Customers, Inc. ("KIUC") requesting to withdraw, without prejudice, its application for a declaratory order. In support of its motion, KIUC advises that the Power Coordinating Agreement ("PCA"), which is the subject of KIUC's application for a declaratory order, has been amended as a result of settlement negotiations by parties to the Federal Energy Regulatory Commission ("FERC") proceeding involving the PCA. KIUC informs that the amended PCA has been filed by American Electric Power Service Corporation for approval at FERC and that the amended PCA resolves a number of issues raised in KIUC's application.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that KIUC has established good cause to permit it to withdraw its application without prejudice.

IT IS HEREBY ORDERED that:

1. KIUC's motion to withdraw its application without prejudice is granted.
2. The matter is closed and removed from the Commission's docket.

By the Commission
