Bullock Pen Water District ("Bullock District") has applied for authorization to enter a Lease Agreement with Bank of Kentucky, Inc. to borrow \$600,000 to refinance existing debt obligations. In its application, Bullock District proposes modifications to a transaction that the Commission recently approved.<sup>1</sup> Having reviewed the proposed transaction, the Commission finds that certain aspects of the proposed transaction require additional review, that such review cannot be completed within 60 days of the filing of Bullock District's amended application, and that good cause exists to continue the amended application generally in accordance with KRS 278.300(2).

IT IS THEREFORE ORDERED that Bullock Pen's amended application for authorization to enter a Lease Agreement with Bank of Kentucky, Inc. is continued generally.
