

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF THE PIPE	)	CASE NO.
REPLACEMENT PROGRAM RIDER OF DELTA	)	2013-00101
NATURAL GAS COMPANY, INC.	)	

ORDER

On March 6, 2013, Delta Natural Gas Company, Inc. ("Delta") filed with this Commission its annual Pipe Replacement Program ("PRP") filing to establish revised PRP Rider rates effective April 29, 2013. Delta's proposed PRP rate adjustment was suspended by Commission Order for five months up to and including September 28, 2013. Delta responded to one information request from Commission Staff. There are no intervenors in this proceeding and the case now stands submitted for decision.

Delta proposes total costs eligible for recovery via its PRP mechanism, as revised through responses to the Commission Staff's request for information, of \$802,950 as of December 31, 2012.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in Delta's application, along with its revised Exhibits, is in sufficient detail to support the reasonableness of Delta's proposed PRP Rider rates, as revised in its April 25, 2013 supplemental filing.

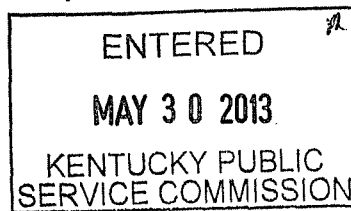

IT IS HEREBY ORDERED that:

1. The PRP rates in the Appendix to this Order are approved for service rendered by Delta on and after the date of this Order.

2. The PRP tariff revisions approved herein are effective on and after the date of this Order.

3. Within 20 days of the date of this Order, Delta shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.

By the Commission

ATTEST

Executive Director

## APPENDIX
