MANAGEMENT PROGRAMS	)	

ORDER

On August 15, 2013, Duke Energy Kentucky, Inc. ("Duke Kentucky") filed an application seeking, among other things, approval of revised tariffs to recover costs associated with its demand-side management ("DSM") programs, including net lost revenues and program-related incentives. The Commission finds that a procedural schedule should be established to facilitate the processing of this matter.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in the Appendix, which is attached hereto and incorporated herein, shall be followed.

2. a. All requests for information and responses thereto shall be appropriately bound, tabbed, and indexed and the original and ten copies shall be filed with the Commission, with copies to all parties of record. Any request for information by letter from the Commission Staff shall be responded to as if set forth in a Commission Order. All responses shall include the name of the witness who will be responsible for responding to questions related to the information provided.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

3. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

4. A person who submits a motion to intervene after September 13, 2013, and upon a showing of good cause is granted leave to intervene shall accept and abide by the existing procedural schedule.

5. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
