ORDER

On December 21, 2012, Louisville Gas and Electric Company (“LG&E”) submitted a cover letter and an update report describing its efforts to develop a new dynamic pricing or smart meter program as required pursuant to the Commission’s final order in Case No. 2011-00440,<sup>1</sup> which approved LG&E’s request to discontinue its Smart Meter Pilot program and to cancel and withdraw its Residential Responsive Pricing Service tariff and its General Responsive Pricing Service tariff. LG&E’s next submission is due on or before March 22, 2013. In its cover letter, LG&E informed that it planned to engage a third party to conduct a comprehensive assessment to refine its smart grid strategy before making a decision on significant deployments and investments. LG&E requests that it be allowed an extension of time, up to and including June 28, 2013, in which to submit its next report.

Having reviewed the letter request and being otherwise sufficiently advised, the Commission finds that LG&E has established good cause to permit it an extension of
